Writeup

The 2nd International Conference on Bioengineering (BIOENG 2026) is proudly organized by MDPI, the pioneer in scholarly, open access publisher of the journal *Bioengineering* (ISSN 2306-5354, IF 4.4). With a portfolio of over 490 diverse and open access journals and a global network of researchers, MDPI fosters excellence in interdisciplinary research and knowledge exchange. Through its rigorous editorial standards and international reach, MDPI ensures that BIOENG 2026 attracts world-class scientists, engineers, and bioengineering innovators—offering sponsors exceptional visibility and engagement within the bioengineering and biomedical technology sectors.

Under the theme “Bioengineering in an Era of AI,” BIOENG 2026 will bring together scientists, engineers, clinicians, and technologists to address pressing challenges in healthcare through cutting-edge research and integrative approaches. From intelligent medical systems and bioinstrumentation to regenerative medicine, computational modelling, and precision healthcare technologies, the topics we explore here reflect the dynamic and rapidly evolving nature of bioengineering.

Set against a backdrop of innovation and collaboration, BIOENG 2026 is a premier platform dedicated to advancing the frontiers of bioengineering research and its translational impact.

Session Topics

- S1. Regenerative Engineering;
- S2. Biochemical Engineering;
- S3. Biosignal Processing;
- S4. Biomedical Engineering and Biomaterials;
- S5. Biomechanics and Sports Medicine;
- S6. Cellular and Molecular Bioengineering.

Participate as a Sponsor or Exhibitor to Unlock the Following Benefits:

Direct Access to Decision-Makers

- Connect face-to-face with an exclusive community of leading scientists, engineers, clinicians, technologists, R&D directors, and industry innovators driving advancements in AI-enabled bioengineering. Engage in meaningful discussions with those shaping the future of bioengineering, biotechnology, and sustainable biomedical solutions.

Position Your Brand as a Bioengineering Innovator

- Showcase your leadership in advancing bioengineering by aligning your company with breakthrough research. Sponsorship at BIOENG 2026 demonstrates vision, innovation, and commitment to transforming bioengineering, sustainability, and life sciences through technology.

Showcase Your Solutions

- Present your products, services, and technologies directly to a highly targeted audience of researchers, engineers, clinicians, and decision-makers eager to explore emerging innovations in bioinstrumentation, regenerative medicine, biomaterials, and computational modeling. Enjoy premium exhibition opportunities designed to maximize engagement and visibility.

Generate Qualified Leads

- Leverage BIOENG 2026's curated network of academic and industry leaders—from biomedical engineers and biotech entrepreneurs to bioengineering technologists and research institutions. This focused environment fosters strategic partnerships and high-quality business connections that accelerate your growth in the bioengineering sector.

Amplify Your Reach

- Extend your presence beyond the conference through comprehensive pre-, during-, and post-event promotions. Your brand will be showcased across multiple platforms, including the official website, email newsletters, social media campaigns, and printed conference materials distributed to a global audience.

A) Order Availability and Payment

Upon completion and submission of this order form, we will confirm to you if the selected sponsorship package for this conference is still available. In case a package is no longer available, we will offer you an alternative. You are entitled to decline the alternative proposal. MDPI reserves the right to decline an order.

The invoice for the order is payable within 30 days after receipt of the invoice.

Prices are subjected to VAT where applicable.

B) Withdrawal of the Order

If you find it necessary to withdraw your sponsorship or exhibition package, please inform us immediately at bioeng2026@mdpi.com. For cancellations made less than 30 days prior to the open day of the conference, MDPI reserves the right to charge 50% of the initial order unless otherwise agreed between the parties. For cancellations made less than 10 days prior to the opening day of the conference, MDPI reserves the right to charge the full amount of the initial order, unless otherwise agreed between the parties.

C) Insurance / Liability Indemnity

Liability insurance, as well as insurance against fire, explosions and natural events is obligatory for all sponsors, and must be taken out independently. MDPI is unable to take out insurance on behalf of the sponsors and cannot be held liable for any damages.

D) Complaints

Complaints concerning the conference need to be addressed to MDPI immediately at bioeng2026@mdpi.com.

E) Execution Disclaimer

MDPI cannot be held liable for unforeseen political, ecological, economic or other "force majeure" events and disasters that, in good faith, render it impossible to execute the conference.

F) Place of Jurisdiction

Place of jurisdiction for any disputes arising in connection with the event shall be the registered address of the conference organizer, MDPI, in Basel, Switzerland.
