

Dining Guide

Jeju Island offers a wide variety of dining options, with numerous restaurants and cafés located in and around the conference venue. To assist participants in planning meals during the conference, we have compiled a selection of dining options based on location, popularity, and general recommendations. Participants are encouraged to explore these suggestions and choose according to personal preferences.

This guide is intended to serve as a general reference for dining during the conference. The information provided is based on publicly available online sources and may be subject to change. Participants are advised to refer to the actual situation and confirm details directly with the merchant in advance.
