The 1st International Conference on Modern Mathematical Physics (ICMMP 2026)

October 30–November 3, 2026 | Hangzhou, China

Join Us in Advancing Mathematical Physics Through Sponsorship

Join us as a sponsor for The 1st International Conference on Modern Mathematical Physics (ICMMP 2026), running from October 30 to November 3, 2026, in Hangzhou, China. This new conference brings together top researchers, professors, and industry experts to share breakthrough discoveries in mathematical physics. Attendees will present cutting-edge research and build networks that drive future innovations. We expect many participants from universities and research institutes worldwide. The event will advance the field and create collaboration opportunities through a program covering five key areas of modern mathematical physics.

Session Topics

- S1. Quantum Field Theory, String and Brane Theory, and Gravitation
- S2. Integrable Models in Condensed Matter Physics and Statistical Physics
- S3. Quantum Information and Quantum Metrology
- S4. Atomic, Molecular, and Optical Physics
- S5. Nonlinear Dynamics and Computational Physics

Honorary Chair

Prof. Changpu Sun

China Academy of Engineering Physics,
Beijing, China

Executive Chairs

Prof. Haiqing Lin

Zhejiang University,
Hangzhou, China

Prof. Xiwen Guan

Past Attendee Profiles in MDPI Asian Conferences

Outreach

– More than 10,000 contacts in our email database

– More than 10,000 social media followers

Participate as a Sponsor or Exhibitor to Enjoy These Benefits

Entry into the Asian Market

This conference marks the debut of this internationally acclaimed event in Asia, opening up a new chapter for collaboration and innovation in modern mathematical physics. With a strong focus on China's growing leadership in quantum theory, integrable models, and computational physics, it brings together leading scholars and rising talents, paving the way for new partnerships and opportunities for your business development.

Network and Collaborate with Global Experts

Connect with leading mathematical physics experts from China, Asia, and around the world. Build valuable relationships that lead to research partnerships, knowledge exchange, and innovative projects in quantum theory, computational physics, and emerging fields. This networking opportunity opens doors to collaborations in one of the world's fastest-growing hubs for scientific innovation.

Showcase Your Solutions and Services

Showcase your solutions and services at the forefront of innovation, while gaining exclusive access to the latest breakthroughs in modern mathematical physics for potential areas of investment and development.

Access Top Researchers

This conference will bring together outstanding doctoral students, postdoctoral researchers, and young principal investigators from leading universities and research institutes. Engage with emerging experts at the forefront of mathematical physics and gain insights into the latest cutting-edge research shaping the field. Join us to connect with the next generation of scholars driving new discoveries.

Brand Recognition and Promotions

Participating in this conference offers a powerful platform to showcase your expertise and connect with a global community of researchers and innovators. Through extensive promotion on the official website and international media partnerships, sponsors and exhibitors will benefit from multi-channel exposure. Your brand will be prominently featured in conference handbooks, venue backdrops, promotional materials, and on-site branding opportunities—enhancing corporate visibility, credibility, and industry leadership worldwide.

Other Sponsorship Opportunities

Insert in Conference Bags—CNY 3,500

The sponsor will have the opportunity to insert a flyer/documentation into the conference bags to inform the participants/ speakers of topics/symposiums/breaking news. (Item fulfilled by sponsor.)

Advertisement—CNY 4,000 to 10,000 (three available)

Advert in the conference book (half a page): CNY 4,000; advert in the conference book (full page): CNY 7,000; advert in the conference book (title page): CNY 10,000.

Certificate of Attendance—CNY 5,000 (one available)

The sponsor's logo will appear on the certificate, which will be made available online to all participants after the conference.

Tea Breaks—CNY 7,500 per day (three available)

The sponsor will have the opportunity to place their logo on the tables during a tea/coffee break. The sponsor can also put up roll-up banners or posters with their information during a particular tea/coffee break.

Conference Lanyard and Badge—CNY 12,000 (one available)

The sponsor has the opportunity to have their brand on the official conference lanyard and badges, which will be distributed to all conference participants/ speakers. This is a good solution for brand awareness and visibility. (Item fulfilled by Sciforum.)

Conference Bag—CNY 15,000 (one available)

The sponsor has the opportunity to have their brand on the official conference bag, which will be distributed to all conference participants/speakers. This is a good solution for brand awareness and visibility. (Item fulfilled by Sciforum.)

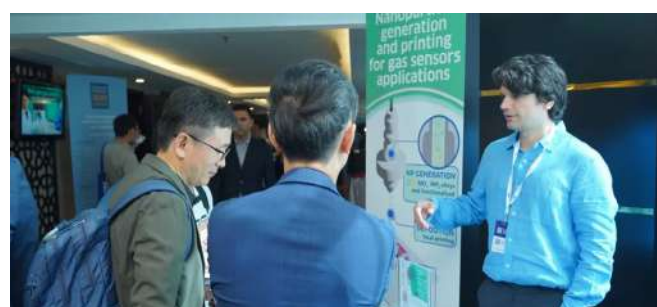

Lunch Break—24,000 CNY per day (three available)

The sponsor will have the opportunity to place their logo on the tables during a lunch break. Lunch break selections are determined on a 'first come, first served' basis, with a maximum of one sponsor available per conference day. The sponsor can also put up a maximum of two roll-up banners or posters with their information during their particular lunch break.

Conference Dinner—CNY 33,000 per day (Days 2–3, two available)

The sponsor will have the opportunity to place their brochure on the tables at the Conference Dinner. The two complimentary registrations would also include access to the Conference Dinner.

Signature and Date

The undersigned hereby registers to sponsor the conference The 1st International Conference on Modern Mathematical Physics (ICMMP 2026). The registration creates a legally binding contract between the conference and the company (sponsor). By giving a valid signature, the company agrees to the general terms and conditions as outlined below. The company agrees to recognize the rules and regulations set by the event organizer.

A) Order Availability and Payment

Upon completion and submission of this order form, we will confirm to you if the selected sponsorship package for this conference is still available. In case a package is no longer available, we will offer you an alternative. You are entitled to decline the alternative proposal. MDPI reserves the right to decline an order.

The invoice for the order is payable within 30 days after receipt of invoice. Prices are subjected to VAT where applicable.

B) Withdrawal of the Order

If you find it necessary to withdraw your sponsorship or exhibition package, please inform us immediately at icmmp2026@mdpi.com. For cancellations made less than 30 days prior to the open day of the conference, MDPI reserves the right to charge 50% of the initial order unless otherwise agreed between the parties. For cancellations made less than 10 days prior to the opening day of the conference, MDPI reserves the right to charge the full amount of the initial order, unless otherwise agreed between the parties.

C) Insurance / Liability Indemnity

Liability insurance, as well as insurance against fire, explosions and natural events is obligatory for all sponsors, and must be taken out independently. MDPI is unable to take out insurance on behalf of the sponsors and cannot be held liable for any damages.

D) Complaints

Complaints concerning the conference need to be addressed to MDPI immediately at icmmp2026@mdpi.com

E) Execution Disclaimer

MDPI cannot be held liable for unforeseen political, ecological, economic or other “force majeure” events and disasters that, in good faith, render it impossible to execute the conference.

F) Place of Jurisdiction

Place of jurisdiction for any disputes arising in connection with the event shall be the registered address of the conference organizer, MDPI, in Basel, Switzerland.
