

Sessions

- Pest Management in Farming for Sustainable Systems
- Crop Rotation and Management – An Agroecological Approach
- Fertility Management in Sustainable Agricultural Systems
- Biostimulants and Biocontrols for Use in Sustainable Systems
- Agroecology and Precision Agriculture
- Economics of Regenerative and Sustainable Farming Systems
- Agroecological approaches to soil management

Deadlines

Abstract Submission:

Extended to 3 August 2026

Acceptance Notification:

28 August 2026

Early Bird Registration:

4 September 2026

Welcome from the Chairs

We are excited to announce that the 2026 International Conference on Agriculture Sciences: Agroecology and Sustainable Systems (ICAS 2026) will be held in Bologna, Italy, from 21 to 23 October 2026.

Showcase your research and connect with a global community of leading experts, industry representatives and practitioners in the agricultural sciences disciplines.

We look forward to welcoming you in Bologna!

Event Chairs

Prof. Dr. Anna Andolfi
University of Naples Federico II, Naples, Italy

Prof. Dr. Leslie Weston
Charles Sturt University, Wagga Wagga, Australia

Professor Giovanni Dinelli
University of Bologna, Bologna, Italy

Assoc. Prof. Ilaria Marotti
University of Bologna, Bologna, Italy

Plenary Speaker

Professor Diego Rubiales

Institute for Sustainable Agriculture,
CSIC, Córdoba, Spain

Keynote Speakers

Assoc. Prof. Francesco Vinale

University of Naples Federico II, Naples, Italy

Prof. Dr. Florence Fontaine

Université de Reims Champagne-Ardenne, Reims, France

Prof. Dr. Gianfranco Romanazzi

Marche Polytechnic University, Ancona, Italy

Assoc. Prof. Federica Zanetti

Alma Mater Studiorum—University of Bologna, Bologna, Italy

Assoc. Prof. Marco Masi

University of Naples Federico II, Naples, Italy

Professor Alessio Cimmino

University of Naples Federico II, Naples, Italy

Prof. Dr. Leslie Weston

Charles Sturt University,
Wagga Wagga, Australia

Prof. Dr. Carlo Leifert

Southern Cross University,
Lismore, NSW, Australia

Dr. Timothy Crews

The Land Institute, Salina, Kansas, USA

Prof. Dr. Francisco A. Macias

Universidad de Cádiz, Spain

Professor Joshua D. Klein

Volcani Center, Israel

Professor Per Kudsk

Aarhus University, Denmark

Prof. Dr. Karl Behrendt

Harper Adams University, UK
