Event Awards

We are thrilled to announce the establishment of two prestigious awards aimed at recognizing and celebrating the outstanding contributions made by our participants during ISFMS 2027.

Best Oral Presentation Award

Eligibility: Open to all authors who had given an oral presentation.

Criteria: Based on the quality of content, delivery, engagement with the audience, and overall impact.

Best Poster Award

Eligibility: Open to all researchers who have showcased their work through posters.

Criteria: Judged on scientific merit, creativity, and ability to attract attention and engage with viewers.

Winners of these awards will be announced during the closing ceremony of the conference. The number of awards and corresponding prize amounts will be released prior to the conference.

Interested in participating in ISFMS 2027? We warmly welcome all researchers, academics, and industry professionals to submit an abstract and showcase their findings!
