

Chemistry2027—Advances in Synthesis, Catalysis, and Molecular Design

30 September–2 October 2027, Belgrade, Serbia

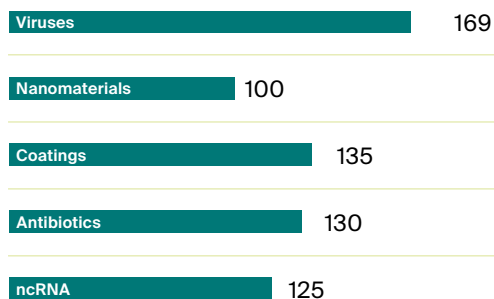

What is Chemistry 2027?

Over the course of three days, Chemistry 2027 will bring together researchers from academia, industry, and research institutions to explore the latest advances across the chemical sciences. From fundamental molecular discovery to cutting-edge applications in catalysis, computational chemistry, electrochemistry, and artificial intelligence, the conference will provide an international forum for scientific exchange, collaboration, and innovation. Through keynote and invited lectures, oral presentations, and poster sessions, participants will discuss emerging challenges, groundbreaking discoveries, and future directions shaping modern chemistry.

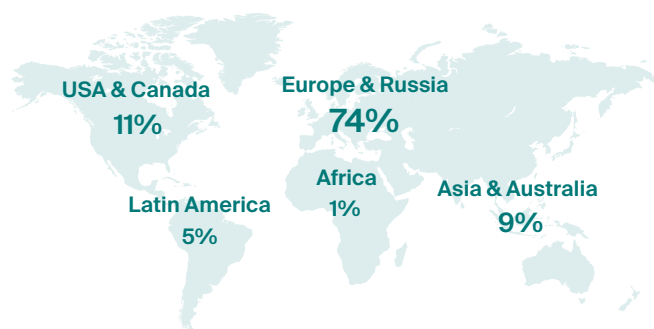

The conference will focus on a diverse range of topics, including:

- Light, Energy, and Molecular Excited States
- Molecular Recognition and Functional Supramolecular Systems
- Catalysis and Molecular Activation: C–H Functionalization, Cross-Coupling, and Beyond
- Molecular Architecture: From Design to Stereo- and Chemoselective Synthesis
- Molecules for Life: From Natural Products to Drug Discovery
- Electrochemistry for Synthesis and Energy: Molecules, Materials, and Mechanisms
- Chemistry in Silico: Theory, Computation, and Molecular Modeling
- AI and Big Data in Chemistry: From Catalysis to Molecular Design

A) Order Availability and Payment

Upon completion and submission of this order form, we will confirm to you if the selected exhibitorship package for this conference is still available. In case a package is no longer available, we will offer you an alternative. You are entitled to decline the alternative proposal. MDPI reserves the right to decline an order.

The invoice for the order is payable within 30 days after receipt of the invoice.

Prices are subjected to VAT where applicable.

B) Withdrawal of the Order

If you find it necessary to withdraw your exhibition package, please inform us immediately at chemistry2027@mdpi.com. For cancellations made less than 30 days prior to the open day of the conference, MDPI reserves the right to charge 50% of the initial order unless otherwise agreed between the parties. For cancellations made less than 10 days prior to the opening day of the conference, MDPI reserves the right to charge the full amount of the initial order, unless otherwise agreed between the parties.

C) Insurance / Liability Indemnity

Liability insurance, as well as insurance against fire, explosions and natural events is obligatory for all exhibitors, and must be taken out independently. MDPI is unable to take out insurance on behalf of the exhibitors and cannot be held liable for any damages.

D) Complaints

Complaints concerning the conference need to be addressed to MDPI immediately at chemistry2027@mdpi.com.

E) Execution Disclaimer

MDPI cannot be held liable for unforeseen political, ecological, economic or other "force majeure" events and disasters that, in good faith, render it impossible to execute the conference.

F) Place of Jurisdiction

Place of jurisdiction for any disputes arising in connection with the event shall be the registered address of the conference organizer, MDPI, in Basel, Switzerland.
