

MDPI Conferences

Where Knowledge Meets Opportunity

mdpi.com

MDPI Conferences at a Glance

Scientific focus

Fostering scientific exchange around emerging topics and specialist research communities.

100–250 attendees

A focused conference size designed to encourage meaningful interaction

Research-led community

Primarily academic and research audiences, increasingly joined by clinicians, policymakers and relevant industry representatives.

International audience

Researchers, institutions and organizations from different countries and regions come together to exchange ideas and build connections.

Collaborative environment

Creating opportunities for academia, institutions and industry to exchange ideas, explore solutions and build relationships

"Publishing shares scientific knowledge. Conferences bring the people behind that knowledge together."

MDPI is an international academic publisher and a pioneer in open-access publishing, supporting academic communities since 1996. Its mission is to foster open scientific exchange across disciplines.

500+
scientific journals

1000+
institutions worldwide

295k+
academic experts

Through MDPI Conferences, we create international academic meetings where researchers exchange ideas, explore emerging developments and build collaborations in person.

60+
in-person and virtual events (2025)

28k+
participants

Why Partner with MDPI Conferences?

Whether your goal is visibility, networking, recruitment, lead generation, technology demonstration, or thought leadership, our conferences provide opportunities to connect with the people shaping your field.

Reach | **Be Seen** | **Meet** | **Demonstrate** | **Position** | **Continue**

Reach: Connect with highly focused research communities.

Be Seen: Increase visibility among relevant audiences before, during, and after the conference.

Meet: Build valuable connections with researchers, institutions, scientific leaders, and decision-makers

Demonstrate: Showcase technologies, services, products, and applications relevant to the field.

Position: Present expertise and contribute to discussions around emerging scientific and technological developments.

Continue: Build relationships across recurring conference series and scientific communities.

Upcoming Conferences

Materials, Chemistry & Advanced Manufacturing

Chemistry 2027

Conference

Chemistry 2027 – Advances in Synthesis, Catalysis, and Molecular Design, 30 September–2 October 2027, Belgrade, Serbia

Applied Sciences 2027

Conference

Applied Sciences 2027: Advances in Lasers, Optoelectronics and Photonics , 3–5 November 2027, Barcelona, Spain

Relevant to organizations working in: Advanced materials, Chemicals, Catalysis, Molecular design, Energy storage, Battery technology, Electrochemistry, Manufacturing, Engineering, Laboratory instrumentation, Materials characterization, Analytical technologies, Scientific software

General Conference Overview 2027

Intelectro 2027 Conference

Intelectro 2027, 12–14 April 2027, Barcelona, Spain

Pharma-ceutics 2027 Conference

Pharmaceutics 2027, 28–30 June 2027, Barcelona, Spain

ICA 2nd Edition 2027 Conference

ICA 2027 – The 2nd International Conference on Antioxidants, 17–19 May 2027, Lisbon, Portugal

Genes 2nd Edition 2027 Conference

Genes 2027, 8 September 2027, Zurich, Switzerland

Foods 8th Edition 2027 Conference

Foods 2027: Innovating the Future of Food Science, 26–28 May 2027, Barcelona, Spain

Chemistry 2027 Conference

Chemistry 2027, 30 September–2 October 2027, Belgrade, Serbia

I3S 12th Edition 2027 Conference

I3S 2027 – 12th International Symposium on Sensor Science, 4–5 June 2027, Athens, Greece

Cancers 2nd Edition 2027 Conference

Cancers 2027, October 2027, Location TBD

ICARS 2nd Edition 2027 Conference

The 2nd International Conference on Advanced Remote Sensing, 9–11 June 2027, Rome, Italy

Applied Sciences 2027 Conference

Applied Sciences – Advances in Lasers, Optoelectronics and Photonics , 3-5 November 2027, Barcelona, Spain

Ways to Partner with MDPI Conferences

1. Choose a Partnership Package

	Benefit	Virtually	Connect	Engage	Lead
		Digital visibility and reach	Attend and exhibit	Attend, exhibit and showcase	Attend, exhibit and contribute expertise
Reach	Selected social media visibility	✓	✓	✓	✓
	Selected conference communications	✓	✓	✓	✓
Be Seen	Company profile on the conference website	✓	✓	✓	✓
	Company logo and website link	✓	✓	✓	✓
	On-site company visibility		✓	✓	✓
Meet	Exhibition presence		✓	✓	✓
	Conference registrations included		1	2	3

* Subject to conference format, venue conditions, technical feasibility, scientific relevance, and organizers' approval.

** Subject to the number of events, package selection, and agreed terms.

Our partnership opportunities are designed to be flexible, allowing organizations to choose the level of engagement that best supports their objectives.

	Benefit	Virtually	Connect	Engage	Lead
Demonstrate	Featured technology & application profile			✓	✓
	On-site technology or application showcase*			✓	✓
	Pre-recorded company showcase, 3-5 minutes*			✓	✓
Position	Priority exhibition location				✓
	Industry workshop or roundtable opportunity*				✓
Continue	Coordinated planning for multiple conferences or editions	✓	✓	✓	✓
	Preferential multi-event rates**	✓	✓	✓	✓
	Post-event partnership report	✓	✓	✓	✓
	Startup investment	-	EUR 450	-	-
	Company investment	EUR 850	EUR 3000	EUR 4000	EUR 5200

Ways to Partner with MDPI Conferences

2. Customize Your Partnership

Enhance your selected package with additional opportunities tailored to your objectives and the conference format.

Opportunity	Partner benefit	Investment
Networking meal moments	Associate your organization with an informal networking moment during the conference, such as a welcome reception, coffee break, lunch, or conference dinner.	Custom quotation
Tailored partnership opportunity	Develop a customized opportunity aligned with your objectives and the conference format.	

Availability, benefits, and quotations depend on the conference format, expected attendance, venue conditions, catering costs, and the agreed scope of the partnership.

3. Extend Your Partnership Build Connections Beyond a Single Event

Develop a coordinated partnership across multiple conferences or recurring editions to strengthen your presence and build sustained engagement with relevant scientific communities.

Multi-Conference Partnership	Multi-Edition Partnership
Partner across several conferences within the MDPI Conferences portfolio.	Build a longer-term presence across recurring editions of the same conference series.

Interested in several conferences or editions?
Our team will work with you to develop a coordinated partnership proposal.

Your Partnership Journey

Discover

Identify the scientific communities and conferences most relevant to your organization.

Select

Choose the participation option that best matches your objectives.

Prepare

Our team supports onboarding, registrations, assets, and logistics.

Participate

Engage with researchers, demonstrate expertise, and connect with the community.

Measure

Receive a post-event participation report summarizing visibility, engagement, and audience reach.

Continue

Explore future conferences and opportunities across the MDPI Conferences portfolio.

Let’s find the right scientific communities for your organization.

If you require guidance in selecting the most appropriate partnership package or wish to explore a tailored partnership opportunity, our team would be pleased to assist.

Contact us to discuss the approach that best aligns with your objectives.
