Sponsor Benefits

Participants at ENTOMO 2027 are expected to include:

- Entomologists and insect scientists
- Biodiversity and conservation researchers
- Ecologists and environmental scientists
- Nature protection agencies
- NGOs and policy stakeholders
- Pest management and monitoring specialists
- Academic faculty and early-career researchers

Previous online editions of the conference brought a diverse mix of scientific researchers, academic faculty, and professionals from non-academic organizations.

This makes ENTOMO 2027 an attractive platform for organizations seeking to showcase technologies, equipment, services, and initiatives relevant to entomology, biodiversity research, conservation, and environmental monitoring.

Introducing ENTOMO 2027

Entomological Conference 2027—Arthropod Decline and Non-Destructive Methods (ENTOMO 2027) will take place in Budapest, Hungary, from 28 September to 1 October 2027. Organized by the MDPI journal *Insects* (Impact Factor: 3.0), the conference will bring together researchers, scientists, and professionals from academia, nature protection agencies, NGOs, and related organizations to discuss current challenges and emerging developments in entomology, with a particular focus on arthropod decline and its global implications.

Featuring plenary lectures, oral presentations, and poster sessions, ENTOMO 2027 will provide a platform for scientific exchange, knowledge sharing, and interdisciplinary collaboration among experts from around the world. Set in the historic and vibrant city of Budapest, the conference will offer valuable opportunities for networking and fostering partnerships across the entomology and biodiversity research communities.

Why Partner with ENTOMO 2027?

Connect with a Specialized Scientific Community

Showcase your products, technologies, services, or initiatives directly to researchers and professionals working across entomology, biodiversity conservation, ecology, pest management, and environmental monitoring.

Demonstrate Solutions That Support Research and Conservation

Position your organization as a contributor to advancing entomological research and sustainable approaches to understanding and protecting arthropod populations.

Build Valuable Collaborations

Engage directly with academics, conservation experts, governmental organizations, NGOs, and potential research partners from around the world.

Support Scientific Exchange and Innovation

Demonstrate your commitment to fostering research, knowledge sharing, and collaboration within the global entomology and biodiversity community.

A) Order Availability and Payment

Upon completion and submission of this order form, we will confirm to you if the selected sponsorship package for this conference is still available. In case a package is no longer available, we will offer you an alternative. You are entitled to decline the alternative proposal. MDPI reserves the right to decline an order.

The invoice for the order is payable within 30 days after receipt of the invoice. Prices are subjected to VAT where applicable.

B) Withdrawal of the Order

If you find it necessary to withdraw your sponsorship or exhibition package, please inform us immediately at entomo@mdpi.com. For cancellations made less than 30 days prior to the open day of the conference, MDPI reserves the right to charge 50% of the initial order unless otherwise agreed between the parties. For cancellations made less than 10 days prior to the opening day of the conference, MDPI reserves the right to charge the full amount of the initial order, unless otherwise agreed between the parties.

C) Insurance / Liability Indemnity

Liability insurance, as well as insurance against fire, explosions and natural events is obligatory for all sponsors, and must be taken out independently. MDPI is unable to take out insurance on behalf of the sponsors and cannot be held liable for any damages.

D) Complaints

Complaints concerning the conference need to be addressed to MDPI immediately at entomo@mdpi.com.

E) Execution Disclaimer

MDPI cannot be held liable for unforeseen political, ecological, economic or other "force majeure" events and disasters that, in good faith, render it impossible to execute the conference.

F) Place of Jurisdiction

Place of jurisdiction for any disputes arising in connection with the event shall be the registered address of the conference organizer, MDPI, in Basel, Switzerland.
